

22nd March 2019

Dear Parent/Carer,

Following on from the success of our last rewards visit where we took 270 pupils to the Trafford Centre I am contacting you regarding details of the next rewards visits, planned for the end of term.

I am pleased to announce the planned rewards visits for the end of term will be on Wednesday 10th April. We have secured bookings with the following providers: Alton Towers Theme Park, Chester Zoo and St George's Park National Football Centre. Please be advised that numbers for St George's Park are limited and therefore this is on a first come first served basis.

Pupils that qualify for the end of term rewards will need to meet the following criteria:

1. **96% Attendance figure or above for the term**
2. **96% Punctuality figure or above for the term**
3. **An average grade 2 or higher attitude to learning across all subjects**
4. **No more than 1 Emmaus in a term**
5. **Positive credit score**

Pupils who have not qualified for the end of term reward due to a situation out of their control will have the opportunity to present their case to a panel.

Pupils not eligible for the end of term reward will continue with their timetabled lessons.

Confirmed prices for the visits are as follows:

Alton Towers £25.00

Chester Zoo £22.00

St George's Park National Football Centre £40.00

For pupils eligible for the planned rewards visit the closing date for payments is **Friday 5th April**. Payments should be made via parent pay or to the main visitor's reception. Unfortunately, we will not be able to accept payments after this date as we need to secure the numbers to each of the providers. Thank you for your understanding on this matter.

Yours sincerely,

Mr S White
