

ST. PHILIP HOWARD
CATHOLIC VOLUNTARY ACADEMY

20th March 2019

Dear Parents/Carers,

This year the Science Department have been overwhelmed by the response we have had for the British Science Week projects. We would like to take this opportunity to thank parents and carers for your support in helping produce the projects – a lot of people have gone to a lot of effort and time to support their children and for that we are extremely grateful. The projects have made us very proud of our budding scientists!

We have chosen a shortlist of Y7 and 8 pupils who will present their projects to an invited audience of pupils and staff. After this we will decide on the winners and prizes will be given out in a special assembly.

We hope your child enjoyed completing the project and we look forward to seeing the entries next year!

Yours sincerely,

Mrs Birkitt

Heads of Science
