

19th October 2018

Dear Parents/ Carers,

On Friday 26th October, students will be allowed to wear non-uniform. A £1 donation will be required and the chosen charity donations will be presented to is 'Winning Women Worldwide'. 'Winning Women Worldwide' works in countries such as Zimbabwe and Zambia to provide for religious activities; to support the advancement of healthcare; to help the prevention or relief of poverty and offers financial aid where necessary.

We have previously worked closely with 'Winning Women Worldwide'. Last year we raised enough money to buy a computer for a household in Zimbabwe; the children were overjoyed by the gesture and have put the computer to good use in helping support their studies and homework. We now hope to help provide the clothing, shoes and school equipment that they are in desperate need of too.

We would like to thank you in anticipation of your kindness.

Yours sincerely,

Mia and Darrin

Head Girl & Head Boy
